8. Any other business:

- RLB stated he no longer wished to be in charge of the website. Suggested his replacement may want to be added to the committee.
- SB requested more volunteers for the tea rota. The more that step forward, the less that each pair need to do.
- RC informed the need to update the club constitution to include Safeguarding/Welfare office to mandatory requirement. Role is already fulfilled so is only an admin exercise.
- DC stated that the bulk of membership renewals are due on October 1st and a separate email will be sent out to members who's membership is due to expire detailing next step.

- DC requested a volunteer to audit the accounts for next year as CS who previously carried out the audit was leaving the club. Thanks for previous contributions.
